RESOLUTION #10 OF 2010 **IMPLEMENTATION OF MULTIYEAR PLANNING**

WHEREAS, the Deerpark Town Board, has realized Multiyear Planning is a concept recommended by the New York State Comptroller, and that it can be a vital tool for local government, and

WHEREAS, Multiyear Planning is defined as a fiscal planning model that illustrates what will happen to a government's ability to pay for and provide services given a particular set of policy and economic assumptions, and

WHEREAS, the Deerpark Town Board believes this type of fiscal planning will help our town residents and elected officials now, and in the future, make important decisions and see the impact of their fiscal decisions over time. Thus, allowing elected officials to make important choices based on prudent information while trying to avoid sudden tax increases or dramatic budget cuts in services to the residents of our town, and

WHEREAS, the Deerpark Town Board, after consultation with the Comptroller's Office and our Town accountant, believes our Town should implement a three year planning model, every year, beginning this year, to better serve our residents and assist our elected officials assess expenditure commitments, revenue needs, fiscal risks, affordability of new services, and capital improvements from this day forward, and

NOW, THEREFORE, BE IT RESOLVED as follows: That the Town Board does hereby mandate that this Town Board and every future Town Board prepare and utilize a Multiyear Plan during the statutory town budget process, and have a future Multiyear plan on file by the 1st day of February in each successive year from this year forward.
